Oakland Unified School District  
**K-12 Science Fair**  
at Chabot Space & Science Center

Thank you for attending the  
Oakland Unified School District's K-12 Science Fair!

We are proud to collaborate with the  
Chabot Space & Science Center to offer an evening of  
exploration and celebration for our students, families, schools,  
and the community. The 180 projects were selected from  
science fairs at 34 elementary, middle, and high schools  
because of their excellence. Congratulations to  
all our students, teachers, and schools!

Tonight's event includes self guided tours of the  
student projects, Chabot Space & Science Center exhibits,  
community organizations, and two showings of *Sky Tonight*  
in the Ask Jeeves Planetarium, as well as complementary  
food and drinks. The science projects are displayed  
throughout the second floor and arranged alphabetically  
by school name. Refreshments will be available in  
the Celestial Café. We hope you will also join us for  
the short program at 6 pm in the Planetarium.

Enjoy!

### Schedule

5:00	Registration Project Viewing & Museum Exhibits	Entrance
5:30	<i>Sky Tonight</i> (20 min)	Planetarium
6:00	Formal Welcome Program	Planetarium
	Caleb Cheung	Science Program Manager Oakland Unified School District
	Brad Stam	Chief Academic Officer Oakland Unified School District
	Etta Heber	Director of Programs Chabot Space & Science Center
6:30	<i>Sky Tonight</i> (repeated)	Planetarium
7:00	Conclusion and Project Pickup	

### Reminders

Refreshments can be consumed in the café and outdoor  
areas only.

Students in attendance should take some time to stand by  
their projects to explain their work to guests.

Awards and medals for participating students will be available  
at school sites from the science fair coordinators.

All projects must be picked up tonight between 7:00-7:30 pm.  
Unclaimed projects will be discarded.
