Oakland Unified School District  
K-12 District Science Fair  
May 20, 2015, 5-8 pm  
Chabot Space & Science Center

Welcome to the 57<sup>th</sup> annual Oakland Unified School District's K-12 Science Fair! We are excited to collaborate with the Chabot Space & Science Center to offer an evening of science exploration and celebration for our students, families, schools, and community.

Congratulations to all our students, teachers, and schools! The 250 projects on display were selected from science fairs and classrooms at 38 elementary and middle because of their excellence. You are a part of a tradition that has been taking place in Oakland since 1958! This year's poster and t-shirt features "science" in 56 various languages used by our students. It represents the universal nature of science both in Oakland and around the world. Can you identify them all?

Tonight's event includes self-guided tours of the student projects, Chabot Space & Science Center exhibits, science activities from community organizations, shows in the Planetarium, as well as complementary food and drinks.

We hope you enjoy experiencing science in any language!

Caleb Cheung  
Science Manager, Oakland Unified School District

---

Chabot Space & Science Center is pleased to welcome you, our Oakland students and families, to the OUSD Science Fair. We are honored to be part of your journey, expanding your universe to inspire and educate you - our next generation of scientists, engineers, explorers and dreamers.

Whether you join us for a field trip class, an overnight in the museum, a hike in the redwoods, stargazing through our magnificent historic telescopes, or building and experimenting in our labs as Summer Scientists, Chabot is committed to inspiring Oakland students of all ages about our Planet Earth and the Universe. We are proud that you are engaging in science and that you have chosen us as a destination. We hope that after experiencing Chabot first hand, you will consider becoming members so you can better experience all we have to offer! For more information please visit [www.chabot.space.org](http://www.chabot.space.org).

Alex Zwissler  
Executive Director/CEO, Chabot Space & Science Center

## SCHEDULE

---

5:00-8:00 Visit Projects, Activities, & Chabot Exhibits

5:30-7:30 Refreshments, Bean Sprouts Café

6:00, 6:40, 7:20 Welcome and Planetarium Show, Planetarium

- Caleb Cheung, Science Manager, OUSD
- Eric Havel, Senior Manager of Education, CSSC
- *Solar Quest* (15 min long)

8:00 Conclusion and Project Pickup

## REMINDERS

---

Students should spend some time standing by their projects to explain their work to guests.

The science projects are displayed throughout the second floor, arranged in alphabetical order by school name.

Activities from partner organizations are on the first floor.

Awards and medals for participating students will be available at school sites from science fair coordinators.

All projects must be picked up tonight between 8:00-8:20 pm. Unclaimed projects will not be stored.

Food can be only consumed in the café and outdoor areas.  
A free poster for each family is available when you leave.  
The Science Fair Store will be open until 8 pm.

Thank you to all the students, families, teachers,  
and staff from participating schools and organizations  
who helped to make this a successful event!

#### PARTICIPATING SCHOOLS

---

Bella Vista Elementary • Bridges Academy • Brookfield Elementary  
Coliseum College Prep Academy • Claremont Middle School  
Community United Elementary • Crocker Highlands Elementary  
EnCompass Academy • Franklin Elementary • Futures Elementary  
Glenview Elementary • Global Family School • Grassvalley Elementary  
Greenleaf Elementary • Hillcrest Elementary • Horace Mann Elementary  
Howard Elementary • International Community School  
Joaquin Miller Elementary • Kaiser Elementary • La Escuelita Elementary  
Laurel Elementary • Lincoln Elementary • Manzanita SEED Elementary  
Manzanita Community School • Martin Luther King Jr. Elementary  
Montclair Elementary • Carl Munck Elementary • Parker Elementary  
Piedmont Elementary • PLACE @ Prescott • Redwood Heights Elementary  
ROOTS International Academy • RISE Community School  
Sequoia Elementary • Think College Now • Thornhill Elementary

#### PARTICIPATING ORGANIZATIONS

---

Chabot Space & Science Center  
Community Resources for Science  
Edventure More  
Lawrence Berkeley National Labs  
Oakland Museum

#### CHABOT STAFF

---

Lisa Hoover  
Eric Havel • Tyler Frawley
